The Daily and Weekly REPUBLICAN

Have no Equal for Advertising in Seymour or Jackson County.

John P. McLean's Great Newspaper.

Without a single exception, there is no paper in the United States that is more successful than the Enquirer. It is a more successful publisher than any other paper in the United States. The old-time prices for the Daily Enquirer have been maintained, and its circulation has increased each year; hard times and cheaper journals failing to arrest its onward march and high appreciation of the public for its true worth and merit.

The Weekly Enquirer at beginning of the campaign year was offered at 50 cents a year, and its circulation increased by the addition of over 200,000 new subscribers; the most substantial and coveted testimonial a publisher could desire.

When asked for the secret of such success, Mr. McLean frankly answers: The Enquirer has no opinions to force upon its patrons; it simply prints the facts and tells the truth that the reader may form his own opinions. By maintaining the price of the paper, more news and greater variety can be furnished, and every class of business interests catered to, which a cheaper paper cannot afford.

The very liberal support given the Enquirer by the public at large, makes it incumbent upon the management to serve its readers with zeal and enterprise in minor matters as well as those of greater magnitude.

K. OF P. DECORATION.

Appropriately Observed by Knights at Brownstown Sunday Afternoon.

Brownstown Lodge, No. 60, K. of P., assisted by members of every other lodge in the county decorated the graves of its deceased brothers Sunday afternoon according to the ritual of the order. The officers all did their parts well.

The members met in the castle hall at 1 o'clock and fell in line with the Rathbone Sisters in the front, and under the charge of Marshal S. W. Shields and his assistants, Brothers Burrell and Allen, and marched to Walnut street where they were joined by the Knights from Seymour. Then marched to the court house where they listened to a very able and appropriate address by Knight W. H. Endebrock.

The lines were again formed, with the Nightingale Band and Success Division, No. 44, of Seymour, in front and Sixth Regiment Band following, heading the lodge and other visiting brothers and went to the cemetery where they deposited the flowers on the graves of those who have gone before. Then they marched back to the hall where the exercises were concluded and refreshments were served. Over two hundred true and valiant Knights were in the line of march.

About one o'clock a special train from Seymour arrived bearing the Uniform Rank, a large number of other Knights and the Nightingale Band. They were met at the depot by the 6th Regiment Band and an escort of Knights and marched to the court house. A large number of Knights from other lodges came in, many bringing their families with them to witness the exercises.

After returning to Castle Hall the Bands rendered some very fine music and the Uniform Rank executed some of their beautiful movements in front of the hall before a large and appreciative audience.

Brownstown, June 7.

Mr. Isaac Horner, proprietor of the Burton House, Burton, V. W., and one of the most widely known men in the state was cured of rheumatism after three years of suffering. He says: "I have not sufficient command of language to convey any idea of what I suffered, my physicians told me that nothing could be done for me and my friends were fully convinced that nothing but death would relieve me of my suffering. In June, 1894, Mr. Evans, then sales man for the Wheeling Drug Co., recommended Chamberlain's Pain Balm. At this time my foot and limb were swollen to more than double their normal size and it seemed to me my leg would burst, but soon after I began using the Pain Balm the swelling began to decrease, the pain to leave, and now I consider that I am entirely cured. For sale by C. W. Milhous.

FIVE INSTANTLY KILLED.

Costly Wreck Near Hudson, Wis., Through Disobeyance of Orders. HUDSON, Wis., June 8.—Five men were instantly killed and four were badly injured by a collision on the Omaha railroad near Hudson Junction, late yesterday. The trains were running at a high rate of speed and met on a sharp curve, affording the crews no possible escape.

The wreck was caused by the disobedience of orders by Engineer James Owens of the worktrain and the conductor, who were given right-of-way to the westbound track. They forgot their orders and took the eastbound track and did not discover their error until too late. Owen is nearly crazed and a guard has been placed over him. The damage is estimated at \$90,000.

BY ORDER OF COURT.

City of Cincinnati and the Southern Road Sued For \$113,000.30.

CINCINNATI, June 8.—S. M. Felton, receiver of the Cincinnati, New Orleans and Texas Pacific railroad, has filed suit in the United States court to recover \$113,000.30 from the city of Cincinnati and the trustees of the Cincinnati Southern railroad. The claim is for money which Receiver Felton, under an order of court, expended from his fund for repairing and replacing bridges on the Southern road. The suit was filed by an order of the court which was made on application of creditors of the plaintiff.

The petition alleged that the bridges repaired and replaced were out of order when the Cincinnati, New Orleans and Texas Pacific company leased the Southern road.

BOILER EXPLOSION.

Man Three Blocks From the Scene Has His Head Torn Off.

MEXICO CITY, June 8.—A boiler exploded yesterday in the print works of Noregio Bros., in Puebla, causing the death of 20 or more persons, the number not being positively known, as it has been impossible to remove the debris caused by the explosion. A part of the boiler was carried high in the air and precipitated on the roof of a house in the neighborhood, killing an old man and three children. A iron beam from the works was hurled through the roof of another house, carrying away a part of the front wall and balcony and was literally buried in the street. A fireman three blocks from the scene of the explosion had his head completely torn off. Troops surrounded the spot and laborers are searching for the bodies.

Nelson's Vessel.

Nelson's Foudroyant has been refitted again at a cost, it is said, of \$100,000 and will be exhibited at the principal British ports, going first, however, to the Kiel naval exhibition. The vessel is a splendid specimen of the great 8 gun line of battleships. Her timbers are in good condition in spite of her 107 years. She was Nelson's flagship for only one year, the most disgraceful one in his career, when, under Lady Hamilton's influence, he encouraged and aided the atrocities committed by the Naples Bourbons. It was from the yardarm of the Foudroyant that Prince Caracciolo, admiral of the republican fleet, a prisoner of war, was hanged without a trial. It was on the quarter deck of the Foudroyant that Sir Ralph Abercromby died of his wounds after defeating the French at Alexandria in 1801.—Boston Herald.

"There's no use in talking," says W. H. Broadwell, druggist, La Cygne, Kas., "Chamberlain's Colic, Cholera and Diarrhoea Remedy does the work. After taking medicines of my own preparation and those of others I took a dose of Chamberlain's and it helped me; a second dose cured me. Candidly and conscientiously I can recommend it as the best thing on the market." The 25 and 50 cent sizes for sale by C. W. Milhous.

Sick Headache.

Neuralgia and Extreme Nervousness.

EVER since I was eighteen years old until I learned of Dr. Miles' Restorative Remedies, I suffered from sick headache and extreme nervousness and dyspepsia. In time heart disease developed. I was treated by several doctors with no result. Severe palpitation with pain in left breast, shortness of breath, and smothering spells made me most miserable. I procured Dr. Miles' Restorative Nervine and New Heart Cure and took them alternately as directed. Improvement began at once and increased so rapidly that inside of six months I increased thirty six pounds in weight. All pain in the heart is gone, and the nervousness has wholly left me.

Something to Depend on.

Mr. James Jones, of the drug firm of
Jones & Son, Cowden, Ill., in speaking
of Dr. King's New Discovery, says that
last winter his wife was attacked with
a grippe, and her case grew so serious
that physicians at Cowden and Pana
could do nothing for her. It seemed to
develop in hasty consumption. Having
Dr. King's New Discovery in store and
selling lots of it, he took a bottle home
and to the surprise of all she began to
better from first dose, and half dozen
bottle bottles cured her sound and well.
Dr. King's New Discovery for Consump-
tion, Coughs and Colds is guaranteed to
do this good work. Try it. Trial bottles

Summer Hats.

The best models for hats are neither
large nor small, and almost every ma-
terial is employed. Many crowns are
of silk or other material that is a con-
trast to the straw brim. All kinds of
straw braid are used, except perhaps
those with a mixture of chenille, which
looks heavy in summer. As to ribbons,
there is an endless variety of stripes
and plaids, gauze, Moires, changeable
tafetas, and fancy weaves; and among
the novelties are those of grass linen
edged with satin stripes, and some of
straw canvas. Rhinestone and fancy
ornaments are lavishly used, and feath-
ers, wings and flowers are in about equal
favor.—From "Summer Millinery," in
Demorest's Magazine for June.

Columbus Minister Robbed.

Last night the residence of Rev. Ful-
ler Swift, of Columbus, was entered by
thieves who took his watch, knife, about
twenty dollars in money and a number
of trinkets about the house. The Co-
lumbus blood hounds were put on the
trail and tracked them straight through
Seymour going directly south along the
line of the railroad. The men and dogs
passed through here about 2:30 this af-
ternoon.

Strawberries, cherries, tomatoes, Har-
cock's.

There is more catarrh in this section
of the country than all other diseases
put together, and until the last few
years was supposed to be incurable.
For a great many years doctors pro-
nounced it a local disease, and prescribed
local remedies, and by constantly
failing to cure with local treatment, pro-
nounced it incurable. Science has pro-
ven catarrh to be a constitutional dis-
ease, and therefore requires constitu-
tional treatment. Hall's Catarrh Cure,
manufactured by F. J. Cheney & Co.,
Toledo, Ohio, is the only constitutional
cure on the market. It is taken inter-
nally in doses from ten drops to a tea-
spoonful. It acts directly on the blood
and mucous surfaces of the system.
They offer one hundred dollars for any
case it fails to cure. Send for circulars
and testimonials. Address:

son of feeding the "five thousand" to the
place the church stands, its slowness in
apprehension of spiritual things and
entire consecration.—Franklin Star.

The Daily and Weekly REPUBLICAN

Have no Equal for Advertising in Seymour or Jackson County.

John R. McLean's Great Newspaper.

Without a single exception, there is no paper in the United States that has been so long and so successfully published as the *Enquirer*. It has been published for over 100 years, and its circulation has increased each year; hard times and cheaper journals failing to arrest its onward march and high appreciation of the public for its true worth and merit.

The *Weekly Enquirer* at beginning of the campaign year was offered at 50 cents a year, and its circulation increased by the addition of over 200,000 new subscribers; the most substantial and coveted testimonial a publisher could desire.

When asked for the secret of such success, Mr. McLean frankly answers: The *Enquirer* has no opinions to force upon its patrons; it simply prints the facts and tells the truth that the reader may form his own opinions. By maintaining the price of the paper, more news and greater variety can be furnished, and every class of business interests catered to, which a cheaper paper cannot afford.

The *Enquirer* liberally support given the *Enquirer* by the public at large, makes it a valuable asset to the management and a service it faithfully with zeal and enterprise in minor matters as well as those of greater importance.

Read! Read! Read!

REASONS why you should read the *Cincinnati Daily*

NEW ENTRANCE TO NEW YORK.

Passengers via Pennsylvania Lines Now Have Choice of Three.

All are convenient locations: Courtland street and Debraes street, in the downtown district, and Twenty-third street in the uptown district. The latter entrance will be formally opened May 16th, when two new and commodious ferryboats, double deckers, constructed especially for the Pennsylvania lines and furnished and finished in up-to-date style, will be placed in service between the Jersey City station and the Twenty-third street, connecting with all inbound and outbound trains over the Pennsylvania system, the same as the boats running between that station and Courtland street and Debraes street, which will also be continued in daily service.

The Pennsylvania Lines' three entrances into New York enable passengers to quickly reach the business portion of the lower end of the city, as well as the hotels and the business blocks in the very heart of the great metropolis. The ride across the river is a delightful and refreshing termination to an enjoyable trip. All through trains from the west, over the Pennsylvania Lines, land passengers in New York between 8:30 a. m. and 9:40 p. m. treating them to a grand view of the city's water front; its extensive docks where at almost any time may be seen ships of many nations. The wonderful panorama gives visitors a slight idea of the magnitude of New York. The new Twenty-third street ferry line is particularly noteworthy in this respect.

SUMMER OUTINGS.

Seashore, Mountain and Lake Resorts.

The principal pieces of summer sojourn along the Atlantic Ocean, in the Alleghenies, the Adirondacks, Catskills, and mountains of the East, and the lake region and northern Michigan and the Northwest, may be readily reached over the Pennsylvania Lines.

Special information regarding the leading resorts and the advantages enjoyed in journeying to them over the Pennsylvania route has been compiled and printed in convenient form. The matter is profusely illustrated with photographic reproductions of seashore scenes and includes views at Atlantic City, Cape May, Long Beach and other resorts along the Atlantic Coast; also of Cresson, Bedford Springs and romantic mountain retreats, and of Potosky, Mackinac and the summer havens in Michigan and the Northwest.

Persons contemplating summer outing trips will find it a valuable guide in shaping preliminaries. Copies may be obtained by addressing Geo. E. Beckwell, District Passenger Agent, Indianapolis, Ind.

K. OF P. DECORATION.

Appropriately Observed by Knights at Brownstown Sunday Afternoon.

Brownstown Lodge, No. 60, K. of P., assisted by members of every other lodge in the county decorated the graves of its deceased brothers Sunday afternoon according to the ritual of the order. The officers all did their parts well.

The members met in the castle hall at 1 o'clock and fell in line with the Rathbone Sisters in the front, and under the charge of Marshal S. W. Shields and his assistants, Brothers Burrell and Allen, and marched to Walnut street where they were joined by the Knights from Seymour. Then marched to the court house where they listened to a very able and appropriate address by Knight W. H. Endebrook.

The lines were again formed, with the Nightingale Band and Success Division, No. 44, of Seymour, in front and Sixth Regiment Band following, heading the lodge and other visiting brothers and went to the cemetery where they deposited the flowers on the graves of those who have gone before. Then they marched back to the hall where the exercises were concluded and refreshments were served. Over two hundred true and valiant Knights were in the line of march.

About one o'clock a special train from Seymour arrived bearing the Uniform Rank, a large number of other Knights and the Nightingale Band. They were met at the depot by the 6th Regiment Band and an escort of Knights and marched to the court house. A large number of Knights from other lodges came in, many bringing their families with them to witness the exercises.

After returning to Castle Hall the Bands rendered some very fine music and the Uniform Rank executed some of their beautiful movements in front of the hall before a large and appreciative audience. XX.

Brownstown, June 7.

Mr. Isaac Horner, proprietor of the Burton House, Burton, W. V., and one of the most widely known men in the state was cured of rheumatism after three years of suffering. He says: "I have not sufficient command of language to convey any idea of what I suffered, my physicians told me that nothing could be done for me and my friends were fully convinced that nothing but death would relieve me of my suffering. In June, 1894, Mr. Evans, then salesman for the Wheeling Drug Co., recommended Chamberlain's Pain Balm. At this time my foot and limb were swollen to more than double their normal size and it seemed to me my leg would burst, but soon after I began using the Pain Balm the swelling began to decrease, the pain to leave, and now I consider that I am entirely cured. FIVE INSTANTLY KILLED.

Costly Wreck Near Hudson, Wis., Through Disobeyance of Orders.

HUDSON, Wis., June 8.—Five men were instantly killed and four were badly injured by a collision on the Omaha railroad near Hudson Junction, late yesterday. The trains were running at a high rate of speed and met on a sharp curve, affording the crews no possible escape.

The wreck was caused by the disobedience of orders by Engineer James Owens of the worktrain and the conductor, who were given right-of-way to the westbound train. They forgot their orders and took the eastbound track and did not discover their error until too late. Owen is nearly crazed and a guard has been placed over him. The damage is estimated at \$80,000.

BY ORDER OF COURT.

City of Cincinnati and the Southern Road Sued For \$113,000.30.

CINCINNATI, June 8.—S. M. Felton, receiver of the Cincinnati, New Orleans and Texas Pacific railroad, has filed suit in the United States court to recover \$113,000.30 from the city of Cincinnati and the trustees of the Cincinnati Southern railroad. The claim is for money which Receiver Felton, under an order of court, expended from his fund for repairing and replacing bridges on the Southern road. The suit was filed by an order of the court which was made on application of creditors of the plaintiff road.

The petition alleged that the bridges repaired and replaced were out of order when the Cincinnati, New Orleans and Texas Pacific company leased the Southern road.

MEXICO CITY, June 8.—A boiler exploded yesterday in the print works of Noregie Bros., in Puebla, causing the death of 20 or more persons, the number not being positively known, as it has been impossible to remove the debris caused by the explosion. A part of the boiler was carried high in the air and precipitated on the roof of a house in the neighborhood, killing an old man and three children. An iron beam from the works was hurled through the roof of another house, carrying away a part of the front wall and balcony and was literally buried in the street. A fireman three blocks from the scene of the explosion had his head completely torn off. Troops surrounded the spot and laborers are searching for the bodies.

Nelson's Vessel.

Nelson's Foundry and has been refitted again at a cost, it is said, of \$100,000 and will be exhibited at the principal British ports, going first, however, to the Kiel naval exhibition. The vessel is a splendid specimen of the great 80 gun line of battle ships. Her timbers are in good condition in spite of her 107 years. She was Nelson's flagship for only one year, the most disgraced one in his career, when, under Lady Hamilton's influence, he encouraged and aided the atrocities committed by the Naples Bourbons. It was from the yardarm of the Foundry that Prince Caracciolo, admiral of the republican fleet, a prisoner of war, was hanged without a trial. It was on the quarter deck of the Foundry that Sir Ralph Abercromby died of his wounds after defeating the French at Alexandria in 1801.—Boston Herald.

"There's no use in talking," says W. H. Broadwell, druggist, La Cygne, Kas., "Chamberlain's Colic, Cholera and Diarrhoea Remedy does the work. Candidly and conscientiously I can recommend it as the best thing on the market." The 25 and 50 cent sizes for sale by C. W. Milhous.
